Standard & Healthy Option Buffet Menu

HOW OUR BUFFET MENU WORKS:

- All our food is freshly cooked to order.
- All patrons on the same table are required to order from the same menu. i.e: buffet and A la carte menus cannot be mixed within the same party of guests.
- Pappadoms and chutneys are served first, followed by a mixed starter platter. You will then be asked to place your order for your main meal and side dish choices.
- We are unable to allow doggy bags on any buffet left overs, in order to prevent over ordering.
